What is "Cars and Coffee"?

"Cars and Coffee" gatherings take place once a month in cities such as Newport Beach and San Francisco, CA; Scottsdale, AZ; Orlando, FL; Minneapolis, MN and other major cities throughout the U.S. It's an opportunity for car enthusiasts to gather and talk about our passion as well as share their great automobiles with other car enthusiasts.

The Knoxville area is home to a number of enthusiasts with great cars. We are always hearing of or meeting a "new car guy". This is a great opportunity for car-lovers to meet and share our passion along with some really unique cars.

Please join us for another exciting gathering. Feel free to forward this information to all of your car enthusiast friends and encourage them to come out.

We will have a photographer and we'll post shots on the different automotive forums.

Hope to see there!!!

David, Karl, Rich, Jonathan, Ann, Sonya, Mark, and Dale.
